Nestled in the heart of Blackall, 58 Garden presents a delightful opportunity for couples, small families, and singles alike to acquire a charming 3-bedroom house set on an expansive 2023-square-metre plot. This property boasts many features tailored to provide a comfortable and modern lifestyle. The main bedroom is a sanctuary of space, complete with a walk-in wardrobe that promises ample storage. The recently updated kitchen flows seamlessly into an extended dining area or family meals. A spacious lounge room offers a tranquil retreat to unwind, while the convenience of a second toilet complements the large bathroom. Climate control is effortless throughout the seasons, with a blend of air conditioning and an evaporative cooling system ensuring your comfort. Freshly painted inside and out, the house exudes a sense of newness. Practicality is also at the forefront, with cement inlay surrounding the property and sturdy metal stumping underpinning the structure. Vehicle storage is ample, with a lockable 3-car port garage featuring cement flooring, perfect for the hobbyist or for safeguarding your vehicles. The property also includes a very well-kept lawn, some hedging at the front, and six well-kept mango trees. Embrace a life of ease and charm at 58 Garden, where every detail contributes to a serene and fulfilling home environment.
