Revealing an exclusive location set opposite, and perched on the northern slopes of beautiful Mount Clarence, this exceptional property also captures world-class views that encompass the magnificent Stirling and Porongurup Ranges, Oyster Harbour, Lake Seppings, Eyre Park, King George Sound and Mount Adelaide. Embrace the amazing surrounds, with bush walks and beach attractions within easy walking distance and city amenities close by. The contemporary refurbished home stands on a big lot, with a wide double garage, attractive private main courtyard entry and a basically blank canvas backyard facing the panorama. The tweaked design of the original home certainly capitalises on the striking views available from principal areas on both levels. The foyer flows to a smartly reinvented, raked ceiling open kitchen, dining and living zone, with dual access to a sweeping balcony deck and vistas for as far as the eyes can see from all zones. If you need inspiration in the kitchen, the upscale appliances and cabinetry and lovely corner window framing the views, should work wonders. This level also features a walk-in linen press, modern family bathroom and three bedrooms, all with built-in robes, and one with more jaw-dropping views. Downstairs is an activity nook off the spacious family room, which flows to a storeroom, and a laundry with views and more storage, and a fourth bedroom, with a stunning outlook. There is also an original room linked to the home. While already transformed, this property still has untapped possibilities.
