Elegant period finishes, voluminous living & clean contemporary lines combine in this evocative Californian bungalow cornering Lansdown Street ensuring a peaceful environment in a fabulously family friendly locale. Northern light floods through the open plan living domain framing an atrium style dining area with wrap around garden access making every dinner an experience. Continuing the family flair, the substantial kitchen is complete with statement granite benchtops & Bosch stainless-steel appliances. Furthering the flexible floorplan, the main bedroom is complete with a walk-through wardrobe to a completely on-trend ensuite with stunning mosaic tiling. Two double bedrooms with built-in wardrobes/shelves offer a serene vibe, both served by a large contemporary sky lit main bathroom with a shower-over-bath. With an open fireplace in the living area, split systems, large laundry with storage, original matte floors, established front garden, ducted heating & a shed, you're metres to Gardenvale primary school, Landcox park, local cafes, Hawthorn road shops & a short drive to Brighton secondary college.
