\$1,200 per week

Outstanding family home in a convenient location with low maintenance outdoor space. This four bedroom, 3.5 bathroom, dual zone home has expansive ground floor space, with a living/dining area flowing to a completely private entertainers' courtyard. A bonus living zone on the first floor and a choice of master-suite upstairs or down. The home features a well laid out kitchen, fully tiled bathrooms, sleek stone benchtops and solid timber floors. Climate controlled by a ducted reverse-cycle heating/air-conditioning system, this has the added peace of mind with video-intercom and the added ease of a ducted vacuum and 2000L water-tank and double auto garage. Situated in a superb location, with Centre Rd transport and shopping within reach, and Tucker Rd Primary School within a short walk. Inspect as advertised.
