Its exceptional quality and detail focus displayed throughout, a family oriented plan comprises four generous bedrooms, with a quiet lower bedroom/ensuite pairing providing a perfect base for the home professional. Accompanied by a broad balcony, walk in robe, and in vogue ensuite, a luxurious upper master is complemented by two generous, further bedrooms, served by a chic central bathroom. A main section's stunning void attracts streams of all day sunlight, with substantial living, dining, and kitchen areas spilling into a tranquil yard offering ample room to entertain or park a second vehicle (accessed via Princess Street). Other highlights include a secure garage, heating/cooling, ceiling audio, extensive storage, Miele and Bosch appliances, a gas fire to living, alarm, European laundry with chute, and backyard shed. With Bridge Road's famed culinary and shopping options mere metres away, it's steps from city, MCG, and Chapel Street trams, Gleadell Street Market, revered schools, and lively Swan Street.
