Opulent in stature and luxuriously appointed, this brand new French Provincial residence will leave you breathless. From the multitude of soaring chandeliers to the impressive use of European Oak parquetry and an array of marble surfaces throughout, the graceful combination of expansive spaces, a divine alfresco and a swimming pool will thrill every generation. Welcomed by a prosperous street number, the enormous five bedroom, study and five bathroom design is balanced by four substantial living zones as well as a gym and a wine cellar. A grand entertainer where you can enjoy formal gatherings in the beautiful fire-side lounge and dining room, two sets of bi-folds provide a perfect indoor/outdoor connection between the meals/family room and the under-cover alfresco with outdoor kitchen. Watch the latest movies in the theatre with tiered seating and relax quietly in the upstairs retreat. Customised for the connoisseur, the stunning marble island kitchen with second kitchen is equipped with Gaggenau appliances including two ovens and a coffee machine. An exquisite experience, the master bedroom features a walk-in robe and dual-vanity spa ensuite. Other luxuries include a pool-side water feature, plantation shutters, two powder rooms, central heating/air-conditioning, in-floor heating across both levels, ducted vacuum, four-camera CCTV and a six-car basement garage. Long-prized for its absolute convenience and zoning for prestigious Balwyn High School, this premium pocket is close to Macleay Park, primary schools, the 109 tram to Kew's private schools and the city-bound bus.
