Residing already over 2 lots this post war weatherboard home with desirable wide 20 metre frontage can be renovated, moved sideways or perhaps demolished for further development. Currently the home presents with 2 large built-in bedrooms, separate lounge, functional kitchen and bathroom with downstairs rumpus and laundry, separate utility room and storage area. There is a drive through carport and separate rear 6m x 4.5m garage plus extra large garden shed. Developers, renovators and forward-thinkers this is your canvas for transformation and a tenancy is in place while you decide on your plans. Capturing bayside breezes in a changing landscape of other new developments and quality homes the property is well located with convenient shopping and dining options, public transport and quality schools nearby. Inspections can be arranged by appointment. Property Code: 1797
