Be mesmerised by the incredible views from this stunning home. Perched high on the hill with expansive views to the ocean, the Cape and town sits this fantastic, spacious home with so much to offer. As you enter the home, you are drawn to the main living area with Cathedral ceilings with beautiful exposed timber beams and views from every vantage point, whether you are relaxing in the lounge room, enjoying a meal in the dining area, or having your morning coffee on the large deck while soaking up the sun and deciding how to spend your day in this beautiful town of South West Rocks. This really is luxury living with a large main bedroom and ensuite privately situated on the entry level and the second bedroom down a few steps on the same level as the living area, kitchen with timber features and main bathroom complete with spa bath. On the ground level is another wonderful surprise, there is the 3rd bedroom and a completely separate fully self-contained space, perfect for guests, extra family members, teenagers or perhaps some extra income for your lifestyle plans. It includes the fourth bedroom, a huge living area which could be another bedroom if desired, a kitchenette and bathroom with spa bath. The garage is also huge and plenty of room for the boat, a handy proposition given that the Macleay River is just down the bottom of the hill with the boat ramp for easy access to the world class fishing that is on offer here.
