This amazing house in Old Grove has stunning views from the Barwon River to the Barwon Heads Bluff. It's in a great spot located near the beach, town center, and river. Inside, there are beautiful white walls and high ceilings. Upstairs, there's a big open area with the kitchen, living room, and dining room. You can step out onto the balcony and enjoy the view. The kitchen is modern with stone countertops, dishwasher and gas cooking. The main bedroom is also upstairs and has its own balcony and bathroom. Downstairs, there's another living room and three more bedrooms. One bedroom even has its own entrance. There's also an office for working from home. The house has heating, air conditioning, and lots of storage space. Outside, there's a stunning garden and a big gate for security.
