With a host of popular local lifestyle assets at your door and a light and bright single-level layout suitable for family living, get off to a flying start in the property game with this charming three-bedroom clinker brick home. Displaying immaculate presentation inside and out, the luxury of two separate living areas translates into enhanced everyday family functionality; privately zoned accommodation serviced by a central bathroom also offers family-sized comfort and flexibility. An open fireplace in the formal lounge and wood combustion heater in the vast open-plan meals/living zone ensures your family will be kept warm and snug this winter, while updated stainless steel appliances add modern style and quality to the galley kitchen. An enormous four-car garage with a mechanic pit and workshop is a car enthusiast's dream; neat grassed backyard overseen by a classic wrap around verandah, towering cathedral ceiling, evaporative cooling, additional single carport, large laundry and potential to redevelop on a fantastic 797sqm (approx.) north-facing block (STCA) are further highlights. Offering scope for a modern touch, this delightful residence stands within walking distance of Rangeview shops, Mitcham Shopping Centre, bus services and Mitcham train station and moments from well-regarded schools, scenic parks and the Eastern Freeway/EastLink.
