Enjoy an expansive open plan layout on the ground floor with a huge chef's kitchen, featuring quality appliances, granite benchtops and plenty of cupboards. Entertaining is a breeze with the massive central island bench of Granite stone for all to gather around. Open up the large sliding doors which are designed to create a seamless flow from the living and kitchen areas out to the private alfresco overlooking a tranquil Lake. Also located on the ground floor is a generous guest bedroom/home office, powder/bathroom, and laundry. Venture up the staircase to the upper level and there you will find three generous bedrooms all with quality built in joinery and two bathrooms - The huge master suite has a walk-in robe and an adjacent private retreat. Also central to the upper floor is another lounge/living space, perfect for a quiet lounge/living room. Come and explore the many zones that this spectacular home has to offer for entertaining your family and friends. You will be sure to find a place to suit everyone's needs - for busy urban professionals and families alike. It's the perfect place to come together and connect or simply close yourself off, relax & unwind. With its strong architectural lines that cast a spotlight on all the right areas of modern day living, this is by no means an ordinary home - it is extraordinary!
