Located on the escarpment side of lovely Thalberg Avenue with sweeping views from the spacious sunroom to farmland below and the hills beyond, 58 Thalberg Avenue will always have this WOW factor. Privacy is assured via the long driveway to the home which is set back from the street. You'll find plenty of space for off-road parking including a double garage and double carport. The front door opens to a spacious 4-bedroom, 2-bathroom home that is serviced by an evaporative cooling system and air-conditioning in the lounge room, master and one of the spare rooms. Neutral color tones are throughout with the tiles and carpet plus unique finishing touches that will accommodate most styles of furnishings. The kitchen is located in the center of the home, with the lounge room plus office nook to one side and the dining area to the other. The dining area features a built-in bench seat and opens up to the spacious sunroom or rumpus room. All bedrooms have built-in robes, and the master bedroom includes an ensuite.
