Newly renovated and created without compromise, this stunning custom terrace delivers a readymade urban sanctuary in a quiet leafy cul-de-sac on the fringe of the CBD. Classically elegant yet thoroughly contemporary, this tri-level home captures the essence of laidback luxury, crafted with quality, meticulous attention to detail and liveability at its core. Spanning three light soaked levels and complemented by timber, glass and marble appointments, it reveals striking open plan living/dining areas plus a gourmet marble island kitchen and a lower-level living area. Complete with rear lane access to secure off-street parking/sun washed entertainers' courtyard, it is positioned in a vibrant urban pocket, footsteps to Stanley Street's iconic bars and eateries. Stunning open living and dining bathed in light Gourmet marble kitchen, quality gas appliances Integrated dishwasher, vast island breakfast bar Kitchen opens to sunlit deck and private courtyard Second lower-level living area/sizeable study Upper-level bedrooms appointed with built-in robes Master with chic ensuite opens to breezy balcony Beautifully appointed bathrooms, champagne tapware Large internal laundry, great storage, dual access Herringbone-style engineered American walnuts veneer quality timber floor Marble style laminate/quality tiled flooring Solid timber staircase, glass balustrade, ducted a/c Rear lane access to invaluable security car space Boasts coveted corner position along Printers Lane Stroll to Stanley Street's café precinct and CBD
