Auction | \$548,000-598,000

The breathtaking experience of looking over and above the city skyline indicate a level of prestige and refinement which are reflected in the property's first-class amenities, premium appointments, and sizable dimensions. A modern material palette comprising engineered hardwood flooring, leathered stone, and black joinery elements is both restrained in composition and expressive in form, contributing a sense of formal elegance to the main living areas. With premium appliances and modern design features the kitchen sits along the property's west wall and benefits from adjoining hallway storage. Property features include a floor-to-ceiling tiled bathroom with flameless rainfall shower, two bedrooms with BIR, wall-to-wall glass, and resort style amenities including residents' gym, lounge, cellar, wine tasting rooms, cigar bar, karaoke room, theatre, game room, private dining spaces with kitchen facilities, indoor pools, spa, sauna, and a 24/7 building manager. With a Woolworths supermarket on the ground floor, this iconic Melbourne quarter includes Flagstaff Gardens, Queen Victoria Market, and Melbourne Central SC, along with easy access to major Melbourne landmarks and travel via the free-tram zone.
