58.32 HECTARES (144.11 ACRES) Properties of this calibre rarely present on the market. This picturesque property located at 581 Deep Creek Road, Wynyard is currently running as a small beef operation. There are magnificent views over Wynyard, Table Cape and Bass Strait and, subject to Council approval, the property has many ideal home sites. The property is of Red Basalt soil, has plenty of water and 5" underground irrigation mains. Once also growing crops, the land has been sown permanently to pasture for over 20 years and, therefore, would make ideal clean potato ground. The central laneways lead to a 5-bay open front hay shed and 2-door machinery shed/workshop. The property is located only 10 minutes to Wynyard airport and approximately 20 minutes to Burnie City. Inspection is highly recommended.
