Rekindle The Love...This high set Victorian home has been cherished in the same family for close to a century and now comes the time for a new owner to take the reins, give it back some love and turn the bones of this old girl into something special. Upstairs has 3 bedrooms plus unusual for its day, but symbolic of renowned builder John Pigdon an upstairs bathroom. Downstairs has the traditional front room, mid lounge with kitchen, bathroom to the rear. Liveable and, ready for refurbishment, renovation, extension for sure and in a coveted spot notably on the ridge of the precinct - Drummond with rear laneway access
