Want a new house without the hassle of going through the building process? This home has been totally renovated with sleek designer accents and warm neutral tones. Why build when you can have a new house set on a large 701 sqm metre allotment with future subdivision potential (STPC) No stone has been left unturned as new life has been breathed into this home, which is now stylish and ready for you to enjoy. Every aspect of this renovation has been given the wow factor, from the timber look floating floors, to the soft new carpets and designer accents. Features we love • Modern central kitchen with marble look benchtops, stainless steel appliances, gas cooking, plus dishwasher. • Good sized Lounge room with tasteful earthy tones, high ceilings and large windows • A second living room, that could also be a home office. • Ducted reverse cycle air-conditioning. • 3 Bedrooms, master with large built in robe and split system air-con. • A stunning new bathroom with timber vanity and black designer tapware. • Large rear garden with veranda for alfresco dining. • Single length carport with roller door. • Large lock up shed in rear garden. Step up to a wonderful lifestyle in the heart of Tea Tree Gully with great quality schools- Banksia Park International High school, Saint David Catholic Primary, Transport at your doorstep and plenty of shopping opportunities close by.
