A masterstroke of bespoke style and excellence, this brand-new, four-bedroom executive residence privately poised at the rear of the block encapsulates the essence of luxurious low maintenance living over a well thought out design. At the heart lies an open plan living/meals area featuring a home-maker's dream kitchen. With expansive stone-topped island bench with breakfast bar, quality appliances, and an induction cooktop - this kitchen is truly an entertainer's delight. Cleverly conceived with a quiet master-domain at the entrance, three robed bedrooms are sequestered upstairs (one with walk-in robe) along with a retreat/living area with bonus storage and bathroom. Endlessly luxurious, the bathrooms, ensuites and powder rooms flaunt feature tiling and timber vanities topped with stone benchtops. A lavish bathtub adds a touch of opulence to the bathroom, promising indulgent soaks after long days. Step outside through double-glazed sliding doors to large, private landscaped gardens and lawn ideal for entertaining on the alfresco deck, child's play or relaxing in the fresh air. The home is underscored by a thoughtful mix of quality carpets in the bedrooms for warmth and comfort, and hard-wearing timber-look feature flooring in the living areas for durability and style. Even the family-sized laundry is superbly stylish complete with feature overhead cupboards providing additional storage space. The spectacular residence also features a combination of brick veneer and feature cladding, water tanks connected to toilets, Mitsubishi split system heating & air-conditioning throughout, an external storage shed perfect for storing gardening tools or outdoor equipment and a double garage with sectional remote-control door, internal access to the home, and external access to the yard. The exposed aggregate to drive adds sophisticated allure, while the 6-star energy rating ensures efficiency. The location too is first-class with the #364 bus at the doorstep, an ELC footsteps away, North Ringwood Reserve a 5-minute walk and North Ringwood Shopping Centre an easy stroll away where you will find an IGA, cafes, salons and medical centre. Mullum Primary School and Norwood Secondary College are also a short walk away and if you need your big centre fix you can be at Eastland in 6-minutes. Also Available 58a Wonga Road, Ringwood. A grand light-filled entrance leads into a hallway that guides you to the spacious open plan domain offering a large entertainer's kitchen with stone-topped island benchtops, breakfast bar and stainless-steel appliances including induction cooktop and 900mm oven. There's even a laundry/butler's pantry combo that will delight the home chef and keep life clutter free.
