Capturing every essence of coastal charm that one could want in this highly revered coastal town of Port Campbell along the Great Ocean Road. Undoubtedly positioned in one of the most desirable locations in Port Campbell, the home sits proudly on a 2000m² parcel of land combining some magnificent ocean views and rural views of the Newfield Valley. The home comprises of two levels, versatility and practicality is the key to this property. Each level offers fully self-contained living, which can be ideal for separate use or both levels combined to create a large family home, along with the attached two-bedroom apartment for extra family and friends. The ground floor level offers direct access from the double garage to both residences, the apartment offers two bedrooms - Master with WIR, central bathroom and office, a large open plan Kitchen/Dining and Living. The main residence also on the ground floor offers 3 bedrooms, one with ensuite and a second bathroom, living area and Kitchenette along with another private deck. Upstairs boasts a large living area optimizing views from all corners, a master suite that features ocean views, ensuite and WIR, whilst complimenting this level is the 3rd bedroom also with its own ensuite. This home would suit holiday accommodation with four potential options, all turn key, or three with a manager's residence. Alternatively, it would equally suit a large family looking for room both indoors and out. An added feature to this already impressive property is the fully self-contained one-bedroom unit that has been modelled to the highest of standards, and is registered with local council for disability type accommodation. Just another feature of this property that allows for extra income potential. The options are endless.
