Nestled into a lush rural backdrop with beautiful north and east facing glorious rainforest and valley views is this rustic timber cottage with an earthy feel and the warmth of home. Rich timber floors, timber lined walls and ceilings throughout creating a cool rural atmosphere. Feature French doors offer unique stain glass art that open out to the covered outdoors. Country kitchen with ample storage, casual eatery and living room for comfort and relaxing. 3 bedrooms, 2 large, 1 smaller one and 4th bedroom or excellent east corner study. Funky bathroom with batwing doors, a sense of freedom while maintaining privacy. Fans, air conditioning and great valley breezes to create your all-year-round comfort. Large wrap around verandahs, a wonderful entertaining space capturing the surrounding natural beauty and essence of this peaceful environment. Under house large concreted area for storage or room to createcurrently housing a cattery. Dual carport and combined workshop with storage with a great chook enclosure underneath with covered walkway to the house. Gently sloping 958m² of manageable land, fully fenced for kid safety and a wonderful pet friendly haven. Enjoy the earthy pleasures of simple country living, create a vege garden, add a studio STCA, the choice is yours. Approx. 5 mins to the Main Arm village with a friendly café and store while a further 10mins to reach the wonderful township of Mullumbimby, the heart and soul of the Byron Shire. An amazing array of shops, cafes, restaurants, where a friendly and eclectic community welcomes you.
