Set amongst some beautiful homes, 59 Fort King Road is conveniently located just around the corner from the boat ramp and walking distance to the canal and McMillan Straits waterfront. The house itself features a spacious lounge room with timber floorboards, wood heater, reverse cycle air conditioner and nice big windows. The kitchen has plenty of cupboard space and electric cooking appliances. There is a sunroom at the rear of the house which could easily be reconfigured, to be a third bedroom or study. Both bedrooms have built-in wardrobes and timber floorboards, while the centrally positioned bathroom has a spa bath. Outside, the property is securely fenced and sits on a good-sized block of 552sqm offering room for caravan or boat parking. There's even a carport adjoining the house and side gate access to the single car garage which has a concrete floor, making parking a breeze.
