Positioned on a quiet rural road just 1km out of the Geeveston town centre, this attractive country home sits on 5 acres of pasture and is surrounded by picturesque established gardens. The 3 bedroom brick home features a spacious North-facing living area with two large openings leading through to an open-plan kitchen & dining area. Polished timber floors throughout and a comfortable feel maintained year-round with reverse-cycle air-conditioning. Three well-sized bedrooms with lovely garden views and a well-appointed bathroom. Glass sliding doors off the dining area open out to a large covered deck with pleasant views through the rear gardens out to the pasture land behind the home, with views of the Hartz Mountain peak on the horizon. The property includes a large original timber shed, approximately 15m x 10m, which is in very good condition and has 3-phase power connected. Plenty of room inside for vehicles, work space & storage. A carport off the side of the shed provides a nice, private covered parking space and there is a set of stock loading yards by the shed which is in good repair. The paddock behind the home has electric fencing and the land has a small spring-fed dam and a grassy hill-top area with impressive 360-degree views of the surrounding area and the south-west boundary of the property joins the reserve land by Scotts Rivulet. A relaxed lifestyle on offer in the increasingly sought-after Huon Valley within easy, level walking distance of local shops & services. Enjoy all that the area and its surrounds have to offer, including popular cafes & restaurants, fresh local produce, local arts & crafts, excellent boating & fishing, invigorating bushwalking & hiking and much more.
