\$1,015,000

This architecturally designed home with an unrivalled outlook and gorgeous aspect in a location abundant with nature, is your chance to live in the beautiful Green Lane area that is so coveted by buyers. This wonderful home, in a quiet and friendly cul-de-sac and just metres from the Wentworth golf course, is a haven from the hustle and bustle of life. The home has expansive windows with stunning views that bring the outside in, creating a calm and peaceful ambience throughout. You will love the amazing features like the raked ceiling, warm timber feature wall, cute mezzanine space and cosy wood fire that all add to the appeal of this home. There are two living areas plus a parent's retreat downstairs, a flexible option of four or five bedrooms, wonderful kitchen with views of the sky and treetops and an elevated deck amongst the trees for the ultimate in outdoor relaxation and entertaining space. A spacious backyard with firepit, veggie garden and plenty of room for kids and pets, a 6.6kw solar system with 13kw battery, double garage and the list goes on. You must see for yourself everything that is on offer here.
