Immaculately presented, this light-filled two bedroom abode offers ready-to-move-in comfort and style, appealing to buyers seeking easy living alongside the allure of immeasurable potential. Situated on a generous 534m² block (approx.) in a highly sought-after pocket, life here is enviable and convenient, placing residents footsteps away from an array of everyday amenities. Currently, the home features spacious formal living serviced by an updated kitchen with meals, boasting timber cabinetry and stainless steel appliances. Both bedrooms are beautifully appointed with built-in robes and share a modernised bathroom with an independent shower and bathtub. Furthermore, the floor plan comprises a separate water closet and a sizeable laundry. Notable highlights include timber flooring, ducted heating and air conditioning, roller shutters throughout, an undercover outdoor entertaining area, a north-facing back garden, a veggie patch, storage shed, water tank, an extended driveway, and a garage. For those looking to add further value through redevelopment, simply leverage the existing plans for a second dwelling in the rear or bring to life your own vision (STCA). Idyllically positioned opposite Alex Nelson Reserve and mere steps from Springvale South Shopping Centre, Athol Road Primary School, and the local bus network. It is situated near Keysborough Secondary College, Springvale Central, and Parkmore Shopping Centre, with easy access to Dandenong Bypass and Sandown Park Station.
