\$335,000

This comfortable and inviting property will appeal to investors looking for a solid property to add to their portfolio or first home buyers looking for an entry level first home. This brick veneer home has been well maintained, offering an inviting front façade with neat and tidy established gardens, generous space inside and a large rear yard with shedding. Property features:

- Three good sized bedrooms, all with built in robes
- Generous living and dining area with split system for year-round comfort
- Modern kitchen with ample bench and cupboard space
- Central family bathroom with vanity, toilet and shower over bath, plus separate second toilet
- Well fenced, secure yard with established lawn and plenty of room for kids and pets
- Garage/workshop with power and direct side access, concreted area with plenty of room for vehicles, boats or caravans, plus another smaller garden shed for extra storage
- Currently tenanted until September 2023
