This fantastic family entertainment will meet all of your expanding family's needs! Exceptional constructed by the award-winning builder, features 4 separate living areas and a sizeable lawn for the kids to play. The master bedroom features a huge walk-in closet and a luxurious bathroom with expansive vanities and shower. The home has four roomy bedrooms and leisure space upstairs. Upon entering, you'll find a separate living room, perfect for theatre room/optional study for quiet nights in, and a lovely, light-filled family/meals area that surrounds the stunning open-concept kitchen with countertops, tiled backsplashes, stainless steel appliances, and an adjacent walk-in pantry. Last but not least, take advantage of the expansive outside space year-round and a very wide backyard with space for a trampoline, a garden shed, as well as side access by double gates for a boat or a travel trailer anything you could think of. If this is something you want for your family, please don't hesitate to give us a call anytime.
