OFFERS INVITED

On a 650m² corner block, in a convenient location, there's lots on offer here: Main House: With a sensible floor plan, all on one level, daily living is a breeze. Spacious lounge, with an enclosed sunroom running parallel, glass sliding doors let the outside in; just perfect for our Bayside lifestyle and a testament to the considered design for the dimensions of this block, airflow & movement of the sun. The kitchen is original, built with quality, custom made hardwood cabinetry. Big windows allow for lots of light & air conditioning for those sweltering days. The renovated bathroom comprises separate shower & bath. The main bedroom is fitted with plantation shutters, is air conditioned and has a ceiling fan. Fly screens, ceiling fans, solar panels & two rainwater tanks. Granny Flat: Only two years' old, in immaculate condition and superbly built with 2.8 ceiling height throughout, air conditioned living and bedroom, with ceiling fans too. A viable option for an extended family or additional income stream. Location is another plus. Just a stroll to the waterfront, close to the train and within easy reach of quality local schools; this constitutes sensible buying.
