Type: House

Robert Rees

Character and charm coupled with new and modern features.

It needs to be mentioned the internal of 59 presents much better than its external appearance.

Original w/b and tile air conditioned cottage in need of your cosmetic flair and attention. Popular side entry designed bungalow with 3 possible 4 doubled sized bedrooms - 2 having own ensuite bathrooms, further features eat in style kitchen and separate living space. All set on 304m² grounds with rear lane, has own lock up garage now converted to separate utility space.

Ideally suit 1st home buyers or those investors looking to add to their property portfolio. Currently rented and returning \$511.00 per week with excellent tenant whom would ideally love to stay on!
