Nestled quietly and conveniently close to local amenities, this light filled residence is bound to leave a lasting impression. Adorned with decorative windows, intricate rosettes and lustrous polished timber flooring, this home radiates character and style. Boasting three bedrooms, two come equipped with built in robes serviced by the main bathroom which serves as a semi-ensuite to the master bedroom showcasing a large shower and bathtub. The expansive living area bathed in natural light, seamlessly connects to the modern kitchen with abundant of cupboard space, dishwasher and glass splashback. This inviting space extends to a charming rear alfresco overlooking the low maintenance garden. A second bathroom is situated within the spacious laundry at the rear of the home, complete with a shower and toilet. Additional highlights include split system, electric heating, high ceilings, 18 solar panels, access and storage to attic, rear access from Olga Street leading to carport and an additional parking space in the front. Located just minutes away from both Moreland and Coburg train stations, Melville and Sydney Road trams, easy access to freeways, local schools, Anderson Reserve, the vibrant Sydney Rd shopping and café precinct and John Fawkner hospital.
