Indulge in the tranquility of this exquisite home, meticulously crafted with a robust steel frame and boasting beautiful outdoor entertaining area, separate internal living areas, large sheds, big solar power system and more. Impeccably presented to the highest standards, this residence ensures minimal maintenance for its future owner. Step into the expansive open-plan lounge, featuring air conditioning for your ultimate comfort. The tiled dining and family room, also equipped with air conditioning, seamlessly flow, creating a harmonious living space adjacent to the heart of the home—the well-appointed kitchen. With ample counter space, abundant cabinetry including pantry, and dishwasher. Designed with a large family and grand gatherings in mind, the covered outdoor area is generously proportioned, providing an ideal setting for memorable get-togethers. Imagine the joy of entertaining against the backdrop of a sparkling saltwater in-ground pool. The four generously sized bedrooms offer comfort and privacy. The main bedroom, a spacious 5m x 4.5m sanctuary, is equipped with air conditioning, ensuring a peaceful retreat. The remaining three bedrooms, all generously proportioned, are strategically situated away from the main bedroom and feature ceiling fans for added comfort. Set on a fully fenced 4242m² block, this fantastic home is surrounded by established gardens, offering a picturesque backdrop. A 6m x 6m Colorbond shed adds practicality to the property, while at the back of the block, you will find another 15m x 9m shed fitted out with 3 roller doors, 4000kg car hoist, insulated and a separate “man cave” complete with pool table! Nestled in a prime location amidst quality residences, this home is just a short drive from Jimboomba schools and shops, with the convenience of school bus pickup. An opportunity like this is rare, and with its undeniable appeal, this fabulous home bound to be snapped up quickly!
