The ultra-modern design and impressive size of this high-quality strata residence provides the ideal environment for expansive family living. It showcases a cool contemporary feel and has been cleverly built to create a light-filled haven of excellent space and privacy, while being well-located a short stroll to Norton Street cafes, the light rail and the start of the Bay Run. It's now ready to enjoy and gives you the chance to live in a deluxe home with so much room, style and versatility, and a great location to match. High-quality interiors feature extra height ceilings and stone flooring. A sleek design with a flowing and light-filled open plan living space. Seamless interaction with a dining patio and private grassed garden. Entertainer's kitchen with Caesarstone benches and walk-in pantry. A downstairs third bedroom or home office with own street access. Two upstairs bedrooms are both double-sized and have a balcony. The basement level lock-up garage includes plenty of built-in storage. Ducted air-con, integrated communications hub, plantation shutters.
