\$599,000-\$629,000

Open Sunday 18th of February 2024 please call Agent to book an appointment time. As you step inside, you'll be greeted by an abundance of natural light cascading through the windows, illuminating the stylish interiors. Downlights, strategically placed throughout the home, further enhance the ambiance, casting a warm and inviting glow. The first living area, located at the front of the house, offering a retreat where you can unwind by the fireplace after a long day and bask in the tranquillity of this intimate space. As you continue through the home, you'll discover the second living area—an open-plan space that serves as the heart of the home. Flooded with natural light and adorned with modern finishes, this versatile area seamlessly combines the kitchen, dining, and living spaces, creating the ultimate hub for everyday living and entertaining. The expansive deck, accessible from the living area, is a true highlight of the property. With ample space for outdoor entertaining and relaxation, it offers the perfect vantage point to take in the panoramic views. Escape to the master suite, with its generous proportions, plush carpeting, and spacious ensuite bathroom. The remaining four bedrooms provide flexibility for guests, home offices, or personal hobbies, ensuring everyone has their own private sanctuary. Each room is thoughtfully designed to maximize space and comfort. In addition, this home offers practical amenities such as a spacious double garage with drive through access, under house storage options, and solar panel system. Located in a coveted neighborhood known for its tranquillity and natural beauty, this five-bedroom house with a spacious deck capturing outstanding views truly offers a lifestyle of luxury and refinement. Note that there are no more golf course allotments remaining so don't wait two years to build just move in and enjoy this beauty. Features you will love about this property: 4 Bedrooms Extra in-house storage Open plan living Undercover decked patio area Zoned ducted reverse cycle heating & cooling Floating floorboards Internal access to the garage Solar System Brand new house never been lived in
