Family-sized living with a desirable low-maintenance edge defines this modern four-bedroom residence inside the exclusive Carlingford Estate. The air of contemporary sophistication it projects from the curbside extends into the high-quality interior of this first-class home, which enjoys the benefits of two large living areas, four generous-sized bedrooms, study and sensational outdoor entertaining. Quality tiled floors flow throughout the welcoming hallway, which introduces a large private study before arriving at the vast open-plan living domain at the top of the layout. A modern kitchen with a stone-topped island bench, freestanding oven, stainless steel appliances and loads of storage space will see you cooking in style, but why cook inside when you can do so in magnificent fashion outside, two wind-proof ZipTrack outdoor blinds to fully enclose the alfresco area which enjoys pride of the place in the all-seasons alfresco. A second carpeted living area has 'kids retreat' written all over it, while all four bedrooms (oversized main with walk-in robe and ensuite with shower) and a deluxe family bathroom offer an elevated level of contemporary luxury and comfort. This exceptional home for the young family, investor or empty nesters still requiring space for the grandkids also features high ceilings, plenty of natural light, landscaped gardens, a low-maintenance backyard, Alarm system, security doors, 18 solar panels with a 6.6kW inverter, evaporative cooling, ducted heating, plentiful storage and a remote double garage. Outstanding access to numerous primary and secondary schools, Lalor train station, bus services, Epping Plaza Shopping Centre, Costco, Northern Hospital, medical clinics, Gillwell Park, Mosaic Reserve, Whittlesea Public Gardens and major arterials also provides a superior level of convenience for every member of the family.
