Here is an opportunity that doesn't come along very often, an acreage property on perfectly flat land in the heart of Ormeau. The property consists of an updated 4 bedroom plus office residence, a huge outdoor entertaining area overlooking an inground pool (with its own Bali Hut), a Large 10.5m x 7.5m car shed, another large shed/Potential Granny flat, which is currently set up as a man cave. The air-conditioned residence has been recently updated with separate living spaces, a large open plan kitchen and dining space, 2 bathrooms, including a beautifully renovated main bathroom and a double garage with a large office off the back of it, great for those who need to work from home with some privacy. Outside there is an enormous entertaining area and so much parking for your vehicles and toys, plus the yard is fully fenced with electric gates at the main entrance. You'll enjoy the best of both worlds - a tranquil retreat and easy access to schools, shopping, dining, and the M1. Too much to mention here, so you just need to come and have a look if you like what you see, the owner is committed to selling and is open to serious offers, these types of properties in Ormeau do not last long, so don't be slow!
