Constructed to the highest standard and split over a re-splendid multi-level layout, this simply stunning contemporary home will amaze you with its intricate detail, high-end finishes and cutting edge design. At the forefront of current architecture and occupying an incredibly prominent, yet private position, this modern masterpiece begins with a grand walkway and into high ceilings and French Oak Herringbone floors that flow throughout a light-filled ground level layout. Forming the centrepiece is a luxurious open living, dining and kitchen precinct flooded with natural light. With Granite stone benches, a feature Island bench and breakfast bar, stainless steel appliances including an induction cook top, dual wall-mounted ovens, a dishwasher and built-in Vintec 148 bottle wine fridge, the kitchen is a real highlight. Four bedrooms with robes and split-system air-conditioning provide plenty of accommodation here, and all enjoy proximity to a modern bathroom with heated flooring, floor-to-ceiling tiles, twin stone topped vanity and a semi free-standing bath. An alfresco balcony, powder room and warming fire place provide added convenience on this level before you head down stairs to a spectacular lower level that provides a place to retreat, relax and rejuvenate for its lucky occupants. A 5-star master bedroom has a walk-in robe, split-system air-conditioning and a matching magazine worthy en-suite, while a sunroom/office option and a brilliant family room compliment convenient internal access to the double garage with workshop. Step outside to a resort-style rear yard that boasts a second alfresco entertaining area, low-maintenance outdoor areas and the piece de resistance, a heated in-ground pool. In a home where no detail has been overlooked, a Krix surround sound speaker system, security cameras and a secure entrance, a separate laundry, plenty of built-in storage, a combination of well placed portrait and landscape windows, fresh paintwork, plus centrally controlled heating and air-conditioning are just some of the inclusions. Incredibly positioned, within walking distance to the Jackson Court Shopping Village, Doncaster Secondary College and the Koonung Creek Trail, close to the Tunstall Square Shopping Centre, Westfield Doncaster Shoppingtown and East Doncaster Secondary College, as well as enjoying great connection to Blackburn Rd, Doncaster Rd, Williamsons Rd, Tram Rd and the Melbourne CBD via the Eastern Freeway.
