Welcome to this quality four bedroom, three-bathroom property situated in the serene suburb of Wamberal surrounded by exclusive residences. The home offers plenty of comfort and is designed with a focus on family living. Set on 1.83 hectares, the property has been in the family since 1978 and circumstances see them reluctantly deciding to sell the property. Upon entry, you are greeted by a spacious open-plan living area complete with exposed beams and high ceilings. The master bedroom is complete with ensuite for added privacy and convenience while there are built in robes to the other three bedrooms providing ample storage space. The heart of the home is the kitchen, which is perfectly positioned to service both the indoor and outdoor entertaining areas. Whether you are hosting a summer barbecue or a cosy winter dinner, this home is designed to make entertaining a breeze. The property also includes a double carport, providing secure off-street parking. Despite its peaceful suburban location, the home is just a short drive to beautiful surfing beaches, and local amenities, making it a convenient and desirable place to live.
