High on the hill overlooking the Innisfail district, yet just minutes drive to the township of Innisfail and about 90kms to Cairns airport, this valuable property features 5 bedrooms and open plan living. All bedrooms have air-conditioning and four have built-in cupboards and carpets. The balance of the floor area has tiles. The living area also has split-system air-conditioning. There are 2 bathrooms, plus the main bedroom has an en suite. This property has town water as well as a large 52,000L water tank. You will appreciate the large patio's front and back, allowing cool breezes to flow through with views from the east. There is also a large, concrete masonry 3 bay lockable shed as well as a double lockable garage. There are 26 solar panels with a 5 kilowatt Inverter mounted inside the shed. The shed power board has been wired for a generator. Contact John for inspections.
