This unique lifestyle property is just under 10 acres and offers a country home, huge mudbrick studio and a self-contained guest accommodation, nestled on the outskirts of the Alexandra township. The home is a well-maintained, character-filled, 100-year-old timber home that has been freshly painted and renovated throughout. There are 3 bedrooms and 2 bathrooms, a delightful living room with polished floors, open fireplace, and split system for year-round comfort. Lovely large kitchen with S/S gas cooking, dishwasher, and walk-in pantry. Great outdoor living space with wide verandas and brick-paved undercover BBQ area. Below the main home, built-in mudbrick, is a wonderful Studio with timber kitchen, bathroom and wood heater. Perfect for B&B, art studio or those extra guests. There is also a separate driveway to this building. Plenty of shed space and car accommodation with 2 large double lock-up garages and a double carport. Ample water supply with 44,000 litres of fresh rainwater tanks and a huge dam. Low-cost living with a 4.5kw solar system feeding back into the grid. The lifestyle aspect of this property is truly unparalleled. Surrounded by farm land, and breathtaking views, you'll find yourself immersed in the peaceful ambiance of the countryside. Whether you enjoy horse riding, gardening, or simply taking in the stunning views, this property offers a great lifestyle. Inspection will delight!
