Add some sparkle to your future with a crown jewel of mid-century style! Crowning a highly-sought court behind high garden walls, this two bedroom, two bathroom front home shines with adaptable multi-zone living, a rare sense of spacious, stylish design...and sparkling 1960's style with no active Owners' Corporation! Designed for an entertaining life with expansive open-plan living around a streamlined European appliance kitchen, and a soaring window-walled sunroom oriented towards the north, this versatile home offers a third living zone in a bonus lounge-sized dressing-room/retreat/home-office ... with added potential to configure as a nursery, home-office or, perhaps, third bedroom. Renovated with an eye to today's living and yesterday's modernist design with a sleek dual-vanity ensuite, ample storage including full-height built-in robes and a wall of media cabinetry, this custom renovation reinterprets 60s detail at every turn. There's a modern twist on banquette-seating for the classic white kitchen, a functional approach with a grid-panelled wall of entry storage ...and vintage detail including timber-lined ceilings and exposed brick walls. There's even a feature aquarium to welcome on entry! Reverse-cycle air conditioned and alarmed with space for kids and pets to play behind secure gardens with pond out front, this 60s gem is situated for today in a safe no-traffic cul-de-sac right amongst the parks, around the corner from the Primary School and bus-routes, and a walk to Moorabbin's station, supermarket and cafes. Just one stop down the line (or a couple of minutes' drive) to Southland, this streetfront court-sited home has 60s style with the best of Bayside lifestyle (including Hampton St's restaurant strip, beaches and schools) in reach!
