A contemporary town residence of grand proportions welcomes the family with abundant space over two light-filled levels – smartly designed with a master bedroom on each floor. It's an impressive family setting in the prized school catchment for Glendal Primary and Glen Waverley Secondary College (STSA), a short walk to Glen Waverley North Reserve, Glenburn Tennis Club, and The Glen. Privately landscaped around its perimeter, the home is immersed in screening hedges and takes advantage of its east facing corner with a beautiful street facing balcony. The open plan living wing is spectacular in size and radiant with light from its north facing aspect, perfectly positioned to flow around the Smeg-appointed kitchen, with a deck either side to enhance alfresco living. For intergenerational appeal, there's room for grandma or a guest with 2 master bedrooms – one on the ground floor overlooking the rose garden, and one on the upper level with a lavish sized ensuite with twin basins, a shower, bath and elegant polished porcelain tiling. A spa bath in the family bathroom, gallery style wall cut outs, great storage, a butler's pantry with 2nd cooktop and sink, central heating, ducted vacuum and a double garage with internal access, add to the exclusive features of this first class property in easy reach of the top public and private schools including Wesley College and PLC, fabulous shopping and restaurants at The Glen and Burwood One Plaza, and travel connections by bus, train, tram, Eastlink and the Monash Fwy.
