A showpiece of contemporary cool, this brand new four bedroom, three bathroom, including studio residence offers discerning buyers streamlined luxury in the heart of Northcote's shopping and entertainment precinct. Quality appointed and finished with meticulous attention to detail, this architecturally designed home arranged over three light-filled levels wows with its Miele island kitchen complete with a full- integrated Fisher&Paykel fridge and sublime marble counters, flanked by living and dining domains featuring custom cabinetry and extensive glazing that streams in natural light. Textured carpets and robes furnish four fabulous bedrooms that share three fully-tiled designer bathrooms, the top floor master with a walk-in robe and ensuite and a versatile studio space or guest bedroom over the double garage accessed via ROW with an equally luxurious ensuite. A private rear courtyard offers space for outdoor entertaining, while double glazing and solar panels add a welcome layer of sustainability to this home that boasts custom finishes, floating staircase, alarm and heating/cooling throughout. Impeccably designed, presented and positioned, inspection will impress.
