Impressive space and masterfully adorned with a well curated collection of natural finishes and textures. This stunning architecturally designed 4 bedroom townhouse effectively creates a sense of abundance and luxurious living. Providing space for the whole family over two levels, you're welcomed by a wide oak wood floored entry that takes you to the guest bedroom with ensuite and WIR, and further along to the expansive family living zone opening via glazed sliding doors to the sunny and private north facing courtyard. The adjacent cutting edge marble kitchen with superb finishes, a butler's pantry and cleverly placed laundry complete the downstairs space. The first floor hosts a relaxing main bedroom suite with a walk-in robe through to a his and her ensuite appointed with dual rainfall showers all clad in floor to ceiling terrazzo for you to luxuriate in. Separated by a vast rumpus room with dedicated study area ideal for home office that flows to two further bedrooms served by two matching bathrooms (one with freestanding soaking tub). This uncompromising home further boasts a garage with internal access to a large, fitted mudroom, terrific built in storage throughout and refrigerated heating and cooling. Enjoying a prized position and easy walk to Bailey Reserve, GESAC, Mackie & Centre Road shopping strip, Coatesville Primary, St Peter's Primary and Monash Health - Moorabbin Hospital. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
