This stunning, two bedroom townhouse is the place to live! The master has its own balcony while both bedrooms have built in robes, both ensuite and bathroom are of a generous size and natural colours. The generous open plan living area is the winning combination with double sliding glass doors leading out to the courtyard allows you to bring the outside in on those warm summer nights. The second living zone gives you the freedom to entertain comfortably, the well pointed kitchen with quality stainless steel appliances and stone-effect benchtops add to the appeal. Other features include split systems upstairs and down stairs, lockable shed, separate back entrance carport with remote control door for security, close to all parks, train station, shopping village, schools and more.
