IMPORTANT INFORMATION: This property is being sold below market value. This is because of legal proceedings against 5A in the complex. The strata fees are currently \$2000 per quarter to cover repayment of Legal costs as well as normal strata fee. The trial has been completed and is just awaiting judge ruling which will be handed down within the next few months. The current owner will pay the strata fees for one year (\$8000) for the new owner coming in as a buffer for this finalization period. At the end of 2024 at the December AGM residents will vote on the strata fee contributions for the following year.
