Spanning across three levels of contemporary class and quality, this chic three-bedroom townhouse represents luxurious low-maintenance living in a prized lifestyle pocket. Positioned for lifestyle ease moments from Macedon Square shops and cafes, Westfield Doncaster, Templestowe Village, the Park + Ride, recreational parklands, excellent schools and the Eastern Freeway for a quick commute into the CBD — or sandy beaches of the Mornington Peninsula in the opposite direction — a lifestyle of convenience awaits the moment you venture out the stylish front door. A lifestyle of upmarket style, however, awaits inside this glamorous abode, which flaunts a gorgeous open-plan living domain at its heart with a statement kitchen (with waterfall stone benchtops, black-tiled splashback and Bosch stainless steel appliances), loads of natural light and direct access to the large balcony for relaxed viewing towards the Kinglake Ranges with a wine spritzer, craft beer or fine whiskey in hand. A deluxe master bedroom with a modern bathroom enjoys its private setting on the first floor, while the second floor comfortably accommodates a further two robed bedrooms, a large main bathroom and sitting area/study nook. Only a few years young and presented as new, this instant lifestyle upgrade also features a remote double garage, split-system heating/cooling, European laundry, generous storage and quality contemporary finishes throughout.
