Lots of natural light and high ceilings gives the space a fresh feel. The open plan living, kitchen and dining area leads to a lovely big balcony. Great for entertaining or just relaxing in the sun with a book! Practicality abounds with easy care floor tiles through the living and high traffic areas. There are robes in both bedrooms, along with a large expanse of cabinetry in the bathroom area. The kitchen is practical too with stainless appliances including a dishwasher. Ceiling fans in the bedrooms plus split system heating and cooling keeps the home comfortable. Enjoy living in a secure complex with intercom system for access. A single carport is included with the apartment, plus there's additional shared parking on-site for visitors. The location is what really sells this stunning apartment. A very short walk will take you to the train station, where you can zip to Flinders Uni, Flinders Medical Centre or the city. Westfield Marion is also handy, along with Clovelly Park Shopping Centre and the world class Marion Swimming Centre. Other features we love: \*Stainless appliances and gas cooktop\* Separate toilet and shower areas\* Downlights Throw away the mower, as there's no gardening to do here! In fact there's little to maintenance required at all! \*\*All floorplans, photos and text are for illustration purposes only and are not intended to be part of any contract.
