This is your chance to secure one of the most affordable townhouses in Varsity Lakes. Whilst it is ready for some cosmetic repairs it allows for the first home, last home buyer or investor to enter the tightly held suburb. The open plan design allows for an ease of living that compares to a house and is surrounded by a fully fenced large yard area. All bedrooms are generous in size and the master is serviced by the ensuite. Location is everything and you are just a short stroll to local daycare, state primary schools and public transport is available nearby at your door. A two minute walk to Christine Corner Shopping Centre and just five minutes by car will have you at the Burleigh beachside or Robina Town Centre making this an ideal place to call home. Make Varsity Lakes your next move...
