Want the style of inner city living without the high price tag - this townhouse appear to have stepped right off the pages of a lifestyle magazine. Lower utility charges is just one of the extra ordinary benefits of these homes including two great sized bedrooms both with BIR's and separate bathrooms/ensuite to each, ultra stylish spacious kitchens boasting all the mod cons, bright and airy open plan living which draws you out to the over sized entertaining balconies. This home offers extras that you would never have dreamed of - 13 squares of full living space "real" timber floorings, thick stone bench tops, porcelain tiles, air conditioning at all living and bedrooms, thermal insulating eco glass windows, instant hot water service and designed with privacy in mind courtyards. These homes are three storey townhouses not apartments or small penthouses, so you do not have neighbours above or below. Please note: The initial rental agreement for this property will be a 15 month term as this is our Office's new standard lease term for all new agreements unless otherwise negotiated.
