\$550,000 - \$600,000

Discover the perfect blend of comfort and convenience in this inviting back unit featuring 3 bedrooms, 2 bathrooms, and a generous outdoor space designed for relaxation. Step into the serene outdoor area, complete with a covered space ideal for unwinding after a long day. The low-maintenance garden is ideal for those seeking a hassle-free outdoor oasis. While the current layout is great, there is potential for updating and renovations to make this space truly your own. Don't let this chance slip away-seize the moment to become a proud homeowner.
