Built with an exemplary level of detail and showcasing high-end contemporary finesse, this executive townhouse delivers on style and lifestyle. Rising over two levels of perfection, no stone has been left unturned in the pursuit of a high-impact low-maintenance lifestyle. The accommodation impresses with three bedrooms of generous proportions, while An updated deluxe main bathroom reflects the townhouse's excellence in design and quality. Not only does the accommodation leave an impression, but also the fashionable living domain downstairs, which excites with its excellent sense of space, timber floorboards, direct access to the private rear courtyard and gourmet kitchen, equipped with stainless steel appliances. Feature-packed and showcasing high-quality appointments throughout, this superbly crafted home excels with its high ceilings, remote garage, split-system heating/cooling and so much more. As a new resident of this exclusive neighbourhood, experience lock-and-leave low-maintenance convenience at its best with walking distance access to Cafes, Bars and Restaurants along plenty road and the close proximity of Northland Shopping Centre, scenic parks, Plenty Road trams and La Trobe University.
